

The E-M Booster Club is moving forward once again this year to improve the student experience for ALL of our students in ALL activities. In the past we have had tremendous monetary support and volunteering from parents, businesses and district patrons. Without this support we would be unable to fulfill our primary goal of assisting the district with purchasing items it would not otherwise be able to afford. Some examples of items we have purchased and/or paid for in the past are:

- Sponsorship of FBLA/FCCLA students to attend national conferences
- Summer speech enrichment program
- Purchasing football playoff and scholar athlete medals
- Piano for the music department
- Football jerseys, Jr. & Sr. High track uniforms and warm-ups, boys basketball warm-ups & girls basketball uniforms
- Wall of Excellence plaques
- 9th Grade trip to Romeo & Juliet
- Assist with the purchase of new band uniforms
- 'Nitro' Mascot
- Perfect attendance incentives

Some of our fundraising events include our annual pork tailgate BBQ, volleyball tournament, picture buttons, calendar ads, and our annual membership drive. We will be kicking off our school year with our annual Booster Blastoff on Thursday, August 21st at 6:00 p.m. at the high school. This event will be open to all students, their families and district patrons.

The Booster Club needs your help in continuing its tradition of helping out our athletic, academic, music, band, speech and drama programs. Membership in the Booster Club is open to anyone who shares our passion in continuing this tradition of support, enthusiasm and excellence for ALL of our students. We particularly would like to invite the parents of all 7th through 12th grade students to join us. The Booster Club is a great way to be involved in the events in which your student participates in. In addition, if you would like to volunteer to help with our Booster Club events, provide us with your e-mail address below. The Booster Club uses your e-mail address strictly for Club purposes and will not share it with other organizations.

Join us for the benefit of the entire Elmwood-Murdock Knights school team! Contributions are being accepted at the following levels: (Please select one and make check payable to 'E-M Booster Club')
