Coaches Comments: The E-M Knights were defeated by the Southern Raiders 13-7 last Friday night in Elmwood. We had some chances to get on the board in the 2nd quarter and we did not execute. The Knights forced 3 Raider turnovers and were unable to take capitalize on them. We need to seize the opportunity when we get the chance. We can't have fumbled snaps and motion penalties. We had some missed opportunities the first half. I thought we executed offensively and on the defensive side of the ball much better in the 2nd half. Brandon Frates connected with Tyler Oehlerking on a 59 yard screen pass that set up the Knights first touchdown by Austin Drueke early in the 4th quarter. I thought we were in good shape at that point with about 8 minutes to go. We get a defensive stop and go in on the winning drive. I thought we had the momentum at that point. We needed a defensive stop or turnover and we didn't get one. Southern's QB Austin Lovell was elusive and he broke contain several times. On his last TD we had him cornered and allowed him to reverse his field and our pursuit on the backside didn't stay home. Southern has a good team and we didn't take advantage of the turnovers we forced in the first half. The Knights travel to Humboldt next Friday night to take on the HTRS Titans. Game time is 7:00 p.m.
